Objectives

- Our vision to be ‘The Value creator’ starts by being close to the customer.
- Working closely with our customers, understanding their business needs and local market conditions.
- we are committed to ensure their success through quality excellence in our products, service offerings and through innovative solutions.
- We believe that by ensuring our customers success we will, in turn, be able to create value for all our employees and the communities in which we operate.

Infrastructure

- **The Factory is located in Bangalore (Chingiriyappa Industrial Area Andrahalli) with a shop floor area of 2500 Sqft and open space of 3000 Sq ft. We have a total employees strength of 15 which includes Engineers and Technicians.**
- **The Engineering is supported with AutoCAD version 2004/2013**

Company Infrastructure

SI No.	Machine Description	Qty
1	Drilling Machine	3
	Make: Bosch Product	
	Capacity: 13.23mm	
2	Grinding Machine	1
	Make: Hitachi	
	Capacity: 4inch	
3	Cutting Machine	1
	Make: Hitachi	
	Capacity: 25.4mm - 355mm Dia	
4	Heat Gun Machine	1
	Make: Hitachi	
	Capacity: 2000w 600C	
5	Bus Bar Bending Machine	1
	Make:	
	Capacity:	

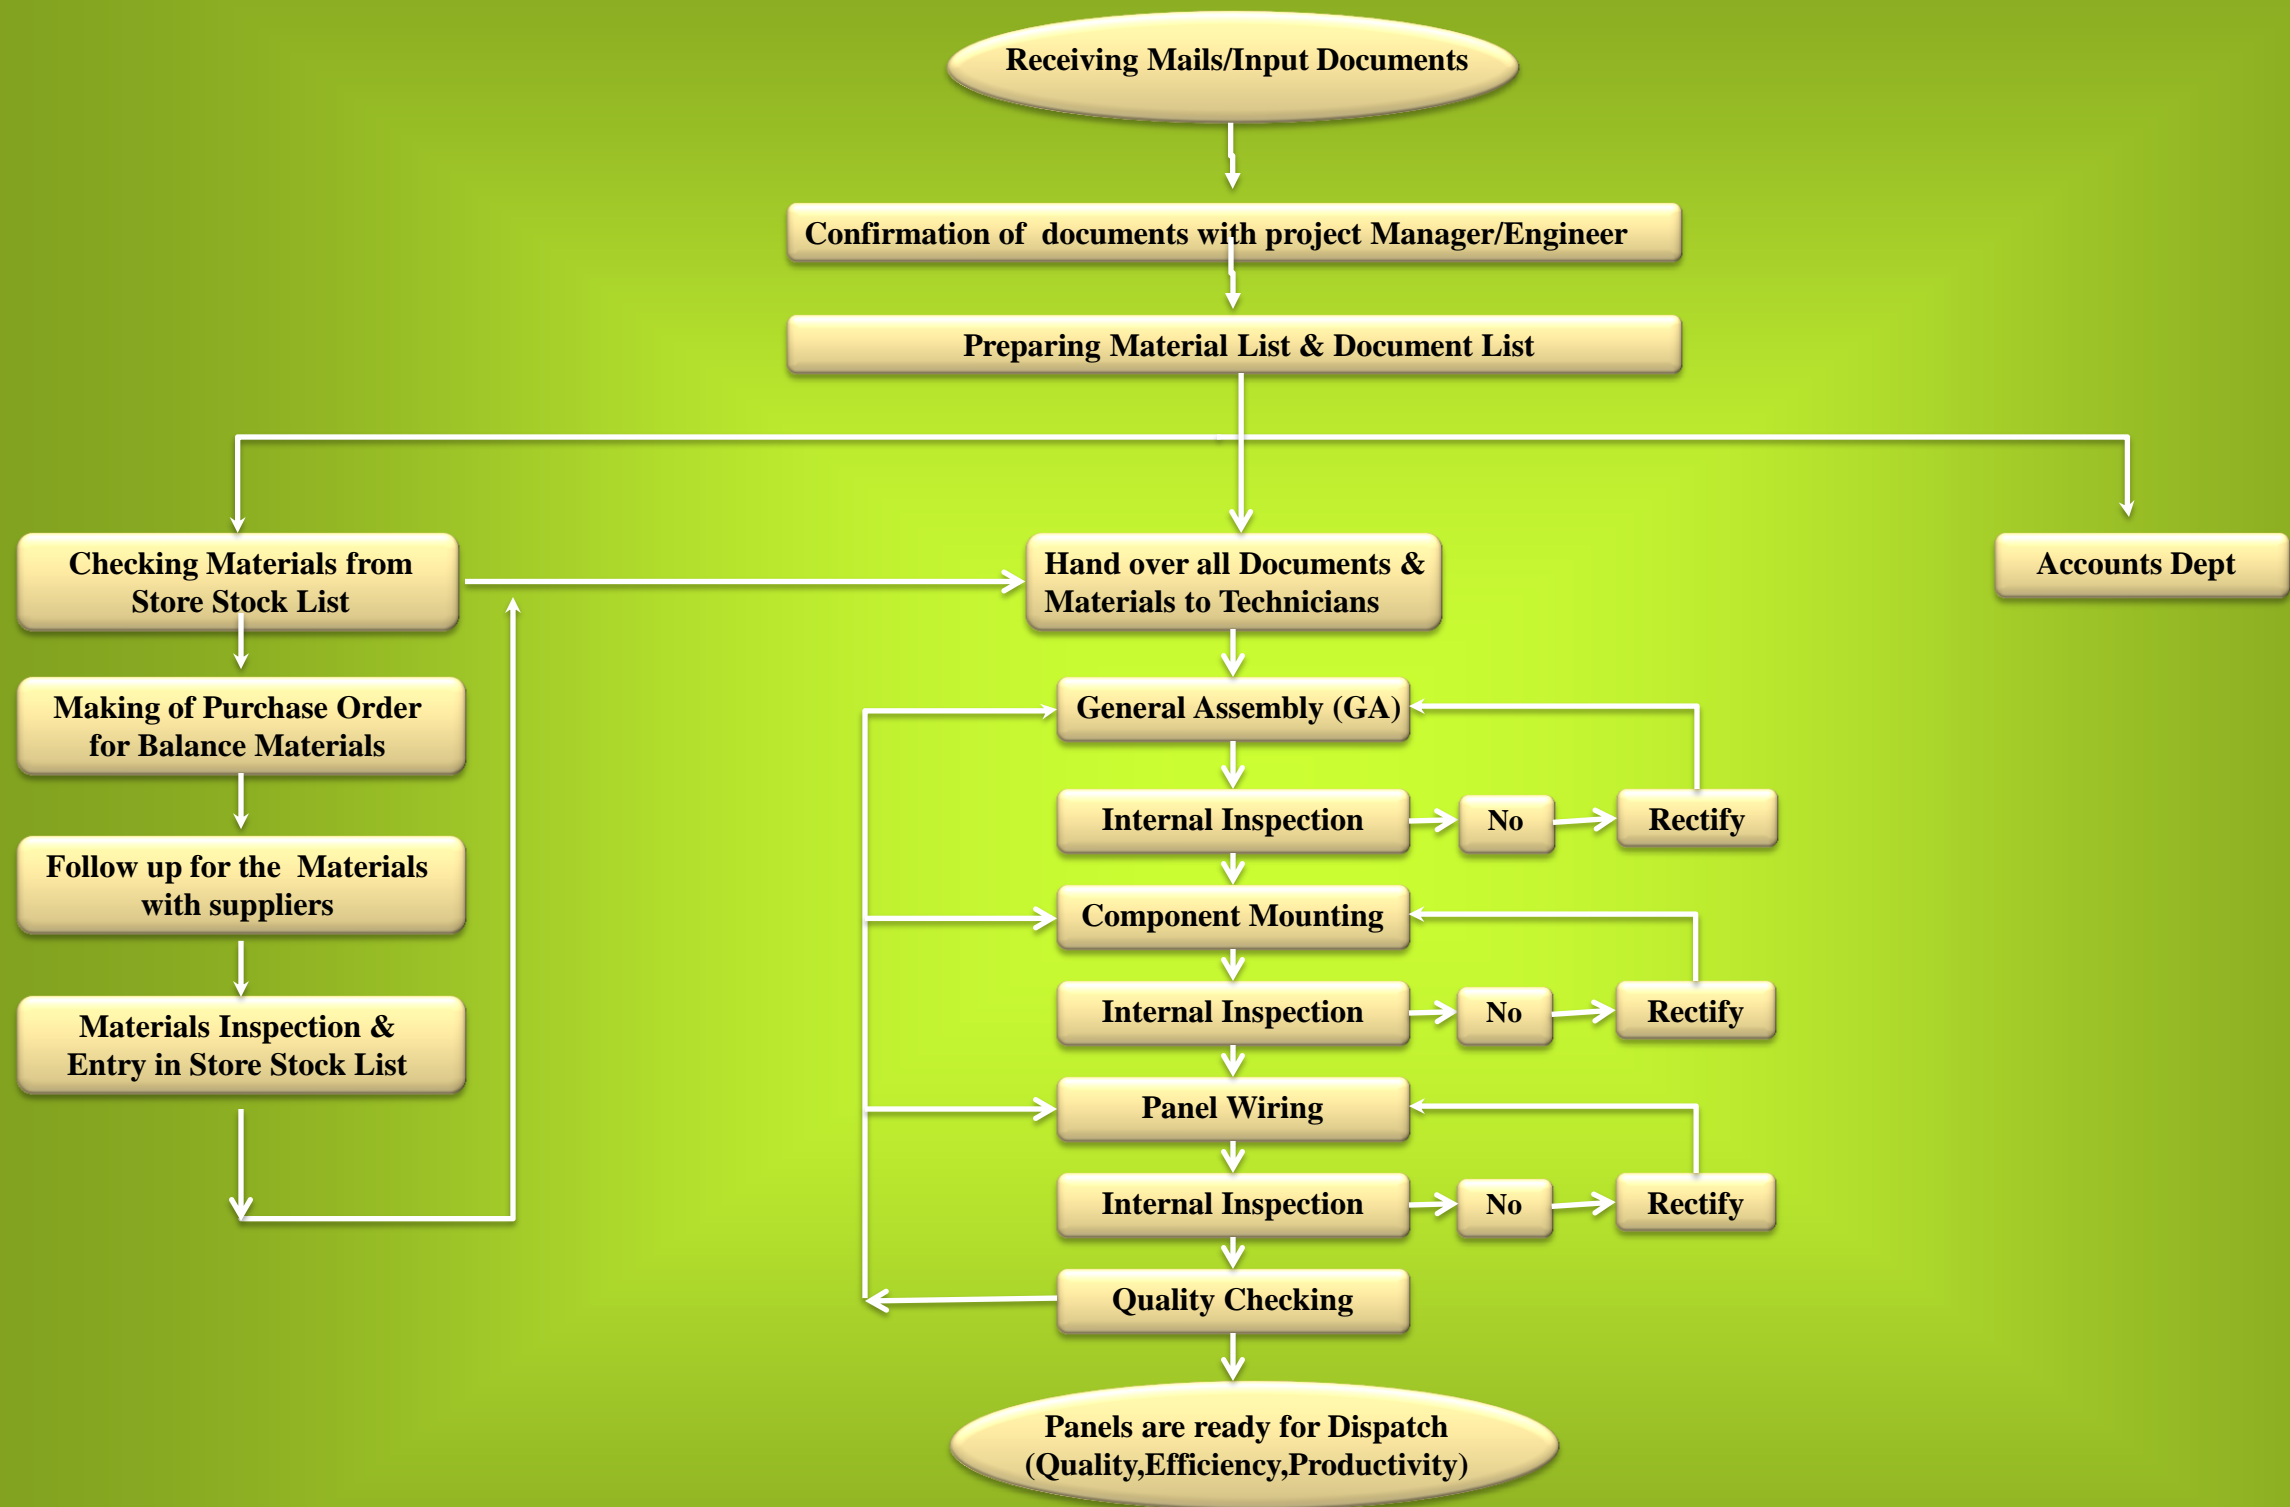

SI No.	Tools Description	Qty
1	Tools Kit	2
	Power Crimping Tool	
	Make:Jainson	
	Capacity:10Sqmm to 125 Sqmm	
2	Power Cutter	2
	Make:Taparia	
	Capacity:125mm	
3	Crimping Tool	4
	Make:Pheonix	
	Capacity: 0.5 to 6 Dia	
4	Crimping Tool Round Type	2
	Make:Ashwin	
	Capacity: 1.5 to 6 Dia	
5	Wire Striper	4
	Make:Ashwin	
	Capacity: 0.5 to 6 mm	
6	Wire Cutter	4
	Make: Taparia	
	Capacity: 0.5 to 6 mm	
7	Screwdriver set	2
	Make: Taparia	

SI No.	Software Tools	Qty
1	Ferrule Machine	2
	Make:Letatwin LM-370A	
	Printing size Capacity:3.2mm tube to 12mm	
2	Stickers/Legend Printing Machine:	1
	Make:MAX	
	Printing size Capacity:19mm to 12m	
3	Scaner , Copy & Colur Printers:	1
	Make: HP	
4	Laser Printers	1
	Make:HP	
5	Good Configuration Computers	5
6	Internet Facility for all Computers	5
